

# De-ionised Water

Super De-ionised water undergoes a two stage process to create a high purity water, free from calcium, magnesium and other impurities which can cause limescale and furring.

- High purity
- Suitable for topping-up batteries
- Ideal for use in steam irons

### QUALITY ASSURANCE:

This product is manufactured in the UK by MIRIUS, A Coventry Group Company.

Produced under ISO 9001 Quality Management System & ISO 14001 Environmental Management System. This ensures our products and services are of the highest possible standard.

This product has not been tested on animals.

### BIODEGRADABILITY:
